LEADERSHIP

COMMUNITY RELATIONS AND OUTREACH OFFICER
HCDE Student Association
September 2016 - June 2017

VICE PRESIDENT, SECRETARY, WEBMASTER
Phi Kappa Theta Fraternity
January 2015 - December 2016

PROJECTS

ILOCALIZE | Web Application
July 2016 - Current | Seattle WA

Worked with the Swedish Medical Center, audiology department, and a team of three to research key user requirements. Designed and assisted in the development of a web application to help train people to improve their localization abilities.

DUBHOP | Mobile Application Design
September 2015 - December 2015 | Seattle WA

Worked with a team of three to research, design, and prototype a mobile application to help students discover events on campus.

CITY UPDATES | Web Application
September 2015 - December 2015 | Seattle WA

Developed a web application to explore RESTful APIs using Python to help users quickly access data on weather and news updates based on their input location.

EXPERIENCE

ENOTES.COM, INC. | UX Designer Intern
June 2016 - September 2016 | Seattle, WA

Worked with the development and design teams to make UX improvements to the eNotes.com production website using HTML, SCSS, PHP, and JavaScript. Used Vim editor and Mac OSX Terminal to code and managed code through GitHub.

UNIVERSITY OF WASHINGTON | Technical Assistant
September 2014 - Current | Seattle, WA

Manage, troubleshoot, and check out specialized video and audio equipment to students and faculty in the DXARTS department.

Maintained and updated the UW Advancement system database with current contact information of UW alumni and donors.

PROLIFIC GIVING, INC. | Technical Intern
May 2012 - May 2013 | San Francisco, CA

Designed and developed various webpages for corporate and performed QA testing for the mobile charitable giving app.
